### Valentines Parties!

**2s & 3s**—We are asking that each student bring 30 Valentines cards with only the "from" filled in. They can be home-made, purchased, include candy or toys, or whatever you would like. They will open their bags at home. Miss Cassidy and Miss Jen will provide the treats; no extra treats will be needed.

**4s**—Students will need 15 Valentines cards for their friends; Mrs. Hazen will send home a list of student names in the Monday Note Home. Kiddos that do not normally attend on Wednesdays are welcome to attend our party from 11:00-12:15. No extra treats needed. :)

**Kinder**—Mrs. Shaw will email you details!

Year end reports are available to you in the Brightwheel app. You can print them out yourself. If you need any assistance, please let us know! :)

### School Year 2024-2025 Enrollment

Believe it or not, it's already that time again! We are starting to give several tours a week for families interested in our school. We will be sending out a note to you this month to confirm your interest in holding a spot for your child(ren) for next school year. Our current families (you all!) have priority in our classrooms for next year, so as soon as you receive the note (via app and hard copy), please let us know your intentions! We will open our registration to the community in March.
