

*"Trust in the Lord with all your heart and do not lean on your own understanding. In all your ways acknowledge Him and He will make your paths straight." Proverbs 3:5-6*

## School Closures

In the event of a school closure, you will be notified via Brightwheel by 6:30am. We will follow West Ada's guidance; on a snow day, we will cancel **school** but will still have child care available for our current daycare students. We will not, however, be able to take siblings of students that do not currently attend. (Your student is considered "daycare" if they regularly stay beyond normal school hours.)

Each year the school is audited for immunizations. If your child has had updated immunizations and are NOT in the IRIS database (Idaho's immunization reminder database—most students vaccinated in Idaho ARE in this), we will need an updated copy. Thank you for your help!
